## Customer Reviews

Wonderful! Of the 7 or 8 recipes I've tried, not one that hasn't been hugely popular with family and friends. Mediterranean-style, oriental-style, American. My favorites include chicken with tomatoes, capers, olives & wine; fettuccine with ricotta and vegetables Provencale (with artichoke hearts). This book ought to be brought back into print.

I am a passionate cook and cannot wait to try the recipes in this book, I own almost all of the books in the 365 series and have enjoyed dozens of the recipes so far, of course I tweak them and make them my own and add my own culinary twists to them but for a guideline of how to make stir fry's or such things, Go for it!

Buy it here! This product is a very good value and a good brand. I think you can't go wrong if you buy it here!

very good i am learning how use it thank
