Mini Pies: Sweet And Savory Recipes For The Electric Pie Maker

Synopsis

Filled with luscious photography, this book is a must for any pie-lover's kitchen and will inspire cooks and non-bakers alike to turn out succulent baked treats in no time. Featuring more than 40 creative recipes for individual pies, this charming book will show you how simple it is to assemble and bake pies that the whole family will love using an electric mini pie maker. Whether you prefer fruity fillings, such as classic apple and cinnamon, tangy cranberry-pear, plum-ginger, or strawberry-rhubarb; decadent treats, such as gooey *à la mode* or caramel-banana pies; classic favorites such as pumpkin, pecan, or chocolate; or flavorful pies fit for a meal or snack, such as spinach and feta, ham and egg quiches, or even chili pies, there is a wide range of options to please everyone. Best of all, these delicious mini pies baked in just ten minutes without even turning on the oven.

Customer Reviews

I bought a mini pie maker, and needed some ideas to get me "jump -started" in making mini pies. This book has a lot of recipes for both sweet and savory pie fillings and for pastry pie crusts. In the savory pies, it has some great ideas for pies that can be a main course for dinner as well as some that would be great for breakfast. Since my 96 year old mother moved in with us 4 years ago, I am always looking for new ideas for breakfast/lunch for her and for quick meals for us when I am short of time. For my mother, my husband has the morning shift and I have the night shift. My husband really isn't into cooking, so I try to make meals ahead that will be easy for him to warm up for her. Although I usually make more than we can eat for dinners so that we have a complete meal to

freeze for my mother, the mini pies are a perfect and easy way to provide my mother with a balanced meal that is easy for my husband to warm up for her. I haven't made any of the sweet pies, but generally double the recipe for the savory pies to make 12 pies. After they cool, I wrap the individually with plastic wrap and freeze them. Sometimes we will all have a mini pie with a bowl of homemade soup for a quick dinner, but very often, most of the pies are alternated with other meals for my mother's early meal. The great thing about homemade mini pies is that you know what goes into them. You can use cream soups as a base for the gravy or you can use homemade broth that has been thickened to make a gravy. You can use any meat or veggies in them and make them as healthy and balanced as you want. The mini pies freeze really well and can be made with leftovers if you choose. Although I seldom follow recipes exactly, this book has given me a lot of great ideas to get started.
