## Customer Reviews

The Mr. Food The Ultimate Cooking for Two Cookbook from the Mr. Food Test Kitchen will be well used in our family kitchen as the chicks have flown the nest. We are now back to being a couple and I was searching for recipes that would feed two people. Fortunately I discovered the Mr. Food The Ultimate Cooking for Two Cookbook to help me re-learn how to prepare meals for two. Some of

the recipes I plan to try include: Berry-licious Smoothie, Blueberry Cheesecake, French Toast, Farm-Style Veggie-Stuffed Omelet, Rancher's Breakfast Sandwiches, All-In-One Breakfast Casserole, Mini Minnesota Hot Dish, Brown Sugar-Glazed Meatloaf, Old World Overstuffed Peppers, Roasted Pork Tenderloin with Country Stuffing, Country Pork Chops with Buttermilk Gravy, Scalloped Potatoes & Ham Casserole, Smoky Cheddar Corn Soup, Cantina Tortilla Soup, One-Pan Chicken 'n' Rice, Crispy Crunchy Oven-Fried Chicken, Homemade Chicken Crock-Pies, Honey-Dijon Roasted Salmon, Jumbo Baked Stuffed Shrimp, Everything-in-One-Pot Pasta, Speedy Zucchini Fritters, Lemon Kissed "Burnt" Broccoli, Personal-Sized Spinach Soufflé, Southern-Style Corn Pudding, California Quinoa Salad, Key Lime Cupcakes, Can-Do Carrot Cake, Old-Fashioned Strawberry Patch Shortcakes, Black & White Cookie Cheesecakes, Just-the-Right-Size Chocolate Cream Pies, Grown-Up Mocha Milkshakes, Fresh-Picked Strawberry Milkshakes, Cinnamon-Kissed Poached Pears, Giant Dunkin' Chocolate Chip Cookies. Be aware that some of the recipes found in this cookbook use nuts. You could probably omit the nuts in most recipes, if needed. Recommend.

We were amazed at the recipes and beautiful full page color photos. My husband does a lot of the cooking and feels he will be able to make many of the recipes. I saw this cookbook demonstrated on QVC and as I always do, I came to my Smile to see their price. Again QVC was about \$22.00 plus \$5.00 shipping compared to here for \$13.17 and no shipping with my Prime.

Excellent recipes requiring ingredients one probably already has on hand. I have been a fan of Mr Food cookbooks for quite a few years and find them to use readily available ingredients. I feel I am cooking somewhat healthy as most of the recipes use whole foods and spices. I made the 20 Minute Skillet Goulash which was well-received by my adult son and I enjoyed it as well. The servings were enough for the two of us with enough leftover for lunch the next day. I plan to try the Smothered Sicilian Cubed Steak and the Honey Dijon Roasted Salmon this week. Each recipe is on left side of the page and a beautiful color photo presentation on the right side. Also included are Test Kitchen Tips for some of the recipes as well as serving suggestions and other tidbits dispersed throughout the book. I am very pleased with my purchase and would recommend this cookbook for anyone trying to cook for one or two people.

Just received this wonderful cookbook. Have looked it over and can't wait to try out the recipes. The pictures are vibrant and the recipes are well written. My only comment is I wish it included a

nutritional chart. I know it is not a diet book but many of us still want to know this information.

Very nice cookbook that uses ingredients that are readily available without going to a specialty market. I found lots of great recipes that I want to try out! the photography in this book is nicely done. I especially appreciate the dessert selections because while we both enjoy the occasional sweet treat, it is nice to be able to make something without a lot of leftovers tempting you.

I have made quite a few dishes from this cookbook and have loved them all. The portions are just right in some of the recipes I tried but too much for two in others. I would recommend this cookbook to anyone who wants to make smaller recipes.

Quick and easy recipes for just two of us. Beautiful photography on semi-gloss paper, with each recipe and the font size is easy to read which is wonderful! Ingredients are readily available in most pantries.

I am now buying a second copy to send to my adult son, since he now has his own kitchen. I figure he can make the recipe for 2 and have leftovers for the next day. This book is perfect for empty-nesters or newly married couples without children. I've made 4 recipes so far and they've all been delicious. Not too many ingredients, and quick to make. And very flavorful!
