## Customer Reviews

This book is the best of the best! I am a huge fan of holiday crafting and decorating magazines. This book is a collection of the best Christmas crafts, decorating and recipes that you are surely going to want in your collection. The cover feels wonderful to the touch as well. The spine has a decorative texture to it that makes it fun to hold and will look lovely on your coffee table for your guests to enjoy as well. I am so glad this book is out before the holidays so I have plenty of time to make lots and lots of the projects.

I'm a Country Living magazine subscriber, but this is the first book from them that I have seen. I was really impressed with how many holiday ideas they included in the book, while keeping the design bright, clean and easy to read. The photos are striking and I like how there's a stunning full page photo on almost every page. Just flipping through it put me in a festive mood and I have lots of pages marked with sticky notes for ideas I'm looking forward to trying. (Plus, I

love the gorgeous Christmas sweater binding, too!)My favorite ideas so far have been the cinnamon sugar lattice cookies, which look like the top of an apple pie, but in cookie form. I like to warm up chunky applesauce and top it with these cookies for an easy dessert. There are also lots of great ideas for seasonal crafts, including my favorite -- a tiny winter scene in a salt shaker! I think the book would also make a lovely gift and the gift tag printed on the inside of the cover makes it easy to do so.

Love this book & the great decorating ideas. I am a big fan of Country Living & their style sense, so this book for perfect for me!
