## Customer Reviews

I saw this cookbook at a Travel Stop in Baton Rouge, Louisiana for 14.99. I am glad that I did not purchase it until I got home and had a chance to check out prices on . I wanted the book because quite frankly, I liked the punch recipes in it and I wanted to try some of the appetizers. I did not care for the Breakfast dishes and a few of the Dessert/Cake Recipes, therefore I did not give the book 5 stars.

This is a GREAT cookbook that doesn't have to be used just for Christmas. My sister-in-law and niece found this cookbook in a cute store in Iowa this summer. While we were still at the cabin, I popped onto and found it for around ten dollars cheaper (used). The book is in excellent condition. The recipes all sound like they'd be great to make. I think this would be a wonderful cookbook to give out as Christmas presents as the recipients could actually use it year round.

This is a great book, with lots of nice recipes. Some I had forgotten about, that I definitely am glad to

have found again. I marked a bunch of the recipes. Just a great book to have handy for any time of the year.

I purchased this for our department Christmas "Twelve days of Christmas" exchange. I added a cookbook stand and it was the perfect holiday exchange gift. It was recieved with great joy. Thank you

This cookbook provided 98% of the recipes for a 40-person holiday brunch. They were all terrific and easy to make - what a great book! I will use this throughout the year.

A big hit in my family. So far every recipe I've made, my family have LOVED them.

Very good cookbokk it was given as gifts for nieces and they really liked it a lot.

Nice stories and recipes. Sooo glad I picked it up
