The Swedish Christmas Table: Traditional Holiday Meals, Side Dishes, Candies, And Drinks

Synopsis

Yuletide is a time of delicious smells wafting through the halls: onions sizzling on the stove, a wood fire gently moldering in the grate, and fresh-baked gingerbread ready to hang on the tree. It's a time of tradition, and recipes handed down from one year to the next. The Swedish Christmas Table is a festive homage to the international history of the month of snow and mulled wine, advent calendars and gathering family. Set your table with such seasonal delicacies as: Mulled wine, egg nog, and seasonal cocktails. Roasted nuts. Fudge, nougat and marzipan. Christmas ham. Vegetable pie with roasted walnuts. Frosted fruit. And so much more to delight and impress. Discover new holiday favorites and update old traditions. Featuring vibrant and retro holiday collages, The Yuletide Table is a Christmas cookbook to inspire, cherish, and hold on to for years to come. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Book Information

Hardcover: 208 pages

Publisher: Skyhorse Publishing (November 25, 2014)

Language: English

ISBN-10: 1629144169

ISBN-13: 978-1629144160

Product Dimensions: 1 x 8.8 x 11.2 inches

Shipping Weight: 2.6 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (9 customer reviews)

Customer Reviews

This Christmas cookbook "extraordinaire" is by two Swedish media personalities, who have worked on other cuisine projects, both together and separately. Many, many of the recipes can easily be used for multiple occasions other than Christmas, however. This, together with Trine Hahnemann's Scandinavian Christmas, Camilla Plum's Scandinavian Kitchen and several others, likely shall be my most "go to" books for the Christmas season. The Swedish Christmas Table is indispensable for anyone seeking comprehensive, unusual quality recipes and information about the celebration of the Christmas Holidays in Sweden, from the beginning of Advent to St. Knut's Day on January 13 -- they even include an entire section on food and drink(s!) for New Years! Their inclusion of several international recipes or alternative recipe options also is worthwhile: In a number of instances there are two recipes, allowing for a traditional but "simpler" approach as one wishes. They sprinkle the text with homey craft suggestions which are very useful, especially for those with children who would love to participate in Christmas decorating, etc. The recipes are very easy to follow, although often starred chef-grade, and accompanying photography is exquisite! It is worth noting, as with all "translations" from another language, double check / use common sense on measured amounts, such as salt, i.e., there may be some such errors or excesses.
