## Customer Reviews

I ordered this book along with The Big Book of Halloween Fun (Paperback), both authored by Susie Johns. Both were tremendous disappointments. This book lacks in imagination and more important for Halloween ideas . . . PHOTOS! As filler the author slips in childish Halloween jokes and offers very little in the way of Halloween decorating. I would not buy this book again.

i agree with the last post before mine... this book was terrible..a book about recipes...costumes....decorations and so on REQUIRES pictures..... awful book.....simply awful

I really did not care for this book. It is small and so thick that it is hard to turn the pages to read. I would not recommend it. It needed to have more recipes, I think.

SO many good projects and ideas for Halloween
