Crochet One-Skein Wonders® For Babies: 101 Projects For Infants & Toddlers

Synopsis

Irresistible! This collection of 101 projects makes it easy and fun to crochet adorable clothes, toys, and accessories for the babies and toddlers you love. Each project uses just one skein of yarn, many take just a few hours to complete, and plenty are suitable for beginners. Hats and caps, booties and socks, mitts, dresses, tops and bottoms – plus blankets, bibs, soft toys, bottle cozies, diaper bags, and more – there's something here for every baby! These original patterns were contributed by 54 designers around the world, and each one comes with complete instructions, charts, schematics, and beautiful photographs.

Customer Reviews

I recently purchased the One-Skein Wonders book for baby knit projects and so enjoyed it, I wanted to get the crochet book as well. At heart, I am definitely more of a crocheter. I taught myself to crochet many years ago and it is a hobby that I have kept with throughout my life. I have a new baby granddaughter and want to be able to make her cute and quick crochet projects as she is growing so fast. I love the variety of hats, booties, tops and more that are in this book. The patterns are gathered from many designers (who are noted and acknowledged at the end of the book.) The patterns include type, color and size of yarn used to make the photo sample as well as a gauge guide and size hook used. The designs all include written instructions and most also have visual diagrams as well. Each project has a photo sample. I found the instructions to be generally well written but because of the wide group of designers, there were some differences in style of pattern. The type of yarn also varied greatly but should not be difficult to obtain via online shopping. Most of

the projects are fairly simple and would not be tremendously difficult for a beginner with some experience to master. A few are more challenging but that is the fun of crochet: start with something simple and you can fairly quickly build your skills to more and more advanced projects. There are eight chapters in this book: Hats and Caps, Socks and Booties, Tops and Dresses, Bottoms, Bibs and Washcloths, Toys, Blankets and Sacks, and Bags and Accessories. There are projects for girls and for boys as well as a great many gender neutral ones, too. Many of the projects are for fairly young children but a good number can be used for older toddlers as well.
