Customer Reviews

I found the recipes to be "too green" unless you like your juices to be straight up kale, spinach, and carrots look for other books that blend in fruits and veggies to make a delicious drink. Green Juices should not be undrinkable. A lot of these recipes are absolutely dreadful. E.g Sleepy Salad Recipe (this is a drink mind you) 1 head romain lettuce 2 tbs dill 1 large cucumber. BLECHE. g Clear Head Recipe 4 celery ribs 2 radishes 1 garlic clove 2 Roma tomatoes Double BLECH

This books is a wonderful and creative selection of juices organized by their different flavors and needs (relaxing, energizing, etc) - and best of all, it has introduced me to some flavor combinations and health boosters I never would have thought of! Wonderful book, highly recommended.
