## Customer Reviews

We don't eat a lot of red meat or fish, so this is perfect for us. I like this series, but some of the Taco Night etc ones are just not for us. I think if you want to eat healthier but still have protein, you should get this and you can have chicken 2-3 nights per week and not have it feel repetitive.

My family loves all the meals I have prepared. I have made the first four dishes. Love this book.

Williams Sonoma is fail safe

Great recipes in this book. No complaints about the food or style of writing. In the back is examples of menus for an evening.
