## Customer Reviews

I own all the Mr. Food cookbooks. I use to buy them on QVC but when I realized I could get them so much cheaper on . Well need I say more? He is my favorite cook, easy and fast with the greatest results. He has a 2 minute Hawiaan pie recipe to die for in one of his books.

If the photo of the hot melty macaroni and cheese on the cover doesn't draw you in, then maybe all of the other recipes and their beautiful photos will. In typical Mr. Food fashion, these recipes are fool proof and fantastic. Can we have Volume 2 published soon?

Great book with many many good recipes. I am very happy with this purchase! This is easy comfort food. Won't be sorry if you purchase!

The title says it all! Have several of his other cookbooks, always a hit with friends, and he uses real, simple ingredients.

Bought as a gift for my Dad! He loved it. I need one for myself.

Excellent Cookbook. Pictures for every recipe which I will not usually buy a cookbook unless it does have. The recipes are good and ingredients are available.

so live this book--very easy recipes and ohhh so good

Brought this for my mom for mothers day. She loves it. The recipes are easy to follow. Great for quick meal ideas.
