# The Overstreet Guide To Grading Comics – 2016 Edition

Synopsis

Newly updated, The Overstreet Guide To Grading Comics includes the 10-point grading system, as well as exhaustive descriptions of Primary and Split Grades, examples of each grade with more than 200 full-color images in all, articles on storage, preservation, and restoration, a look at the independent, third-party grading companies, and much more! Since 1970, the name "Overstreet" has symbolized a vast knowledge of American comic books. While The Overstreet Comic Book Price Guide helps you learn about comic values, this third book in our new â œHow Toâ • line teaches you the importance of condition (a factor that is often the key to real collectability) and how to grade accurately.
